Velmore Estate's primary focus is the conference and corporate events market and as an incentive has launched a competition to reward its top four PCOs with prizes to the value of R300 000. The winners will be announced in February 2007.

NEWLY built Velmore Banquet & Conference Estate, on the west side of Centurion, continues to expand. Construction has begun on the Velmore Hotel, to open in December 2006. The hotel will have 38 twin suites and 10 luxury suites with large en-suite bathrooms and one specialist paraplegic suite.

All suites will be individually air-conditioned and all have a patio or balcony with breathtaking views of the estate and surrounds.

Heinz Mulder, general manager, said the new hotel will be majestic yet down to earth, grand yet graceful. "It will be a place of surprising contrasts where business mixes with pleasure and activity with relaxation."

Set in a sprawling estate, the architectural style of the new hotel is inspired by French Provence.

"Each guest and patron is an individual and as such is unique. Velmore Hotel will provide

each guest with an experience of luxury and sophistication that will summon them back time and again.

"Our attention to detail and perfect finishing touches will ensure a stress free stay and a home away from home," Mr Mulder said.

He said the hotel will boast a magnificent "grand port coche" (grand drive-through entrance) and entrance lobby, while the lit fireplaces will add a welcome glow to the lounge and piano bar.

"The cuisine at our restaurant will guarantee a palate sensation and no appetite unsatisfied," Mr Mulder said.

In addition, the hotel will have three state-of-the-art boardrooms reminiscent of a gentleman's club and a grand sweeping staircase.
