

# The race is on

## for the top PCOs at Velmore

VELMORE Banquet & Conference Estate, on the west side of Centurion, Gauteng, officially opened in April 2006 with a night to remember with guests being able to amble through the grounds.

In each venue, a new surprise awaited guests in the form of culinary delights and entertainment. The evening, filled with elegance and romance as various candles were situated all over the vast property, gave guests a taste of what is possible at the luxury Estate.

Each venue offers a place with space and beauty; expertise and the facilities – both aesthetically and functionally – to turn any occasion of any size and form, into something truly memorable.

Velmore Estate's primary focus is the conference and corporate events

market and as an incentive has launched a competition to reward its top four PCOs with prizes to the value of R300 000.
